How do I choose?

We recommend ad sizes based off what reach you'd like to obtain with an ad:

- 1. Full page ads** will be placed on the adjacent page of the member company listing. If the advertiser is not a member, they will be placed alphabetically in the Members by Company section.
- 2. 1/2 page and 1/4 page ads** will be placed on same page as member listing. If the advertiser is not a member, they will be placed alphabetically in the Members by Company section.
- 3. Business card ads** are placed above member listing. If the advertiser is not a member, ads are placed alphabetically in the Members by Company section. This option is best fitted for AAI member companies that want to 'enhance' their listing at a minimal cost.
- All interior ads will be printed in B/W unless otherwise marked on page 4 section 3.
- Members receive a discount if member dues are received by February 1, 2019.
- Affiliate Members: call Rose for special ad pricing through FEB 1!
