ADVERTISER INFORMATION

The Agribusiness Association of Iowa Member Directory is available only in an electronic format on the AAI website. Advertisers have the opportunity to be seen more frequently utilizing electronic ads that appear on the directory page based on various criteria such as category searches or filters. All advertisers will have their ad shown when a member is viewing their company listing.

Details about the ad options available are shown below. Please read carefully. If you have questions please call the AAI office.
