Affiliate Member Benefits

AGRIBUSINESS ASSOCIATION OF IOWA

At the heart of the Agribusiness Association of Iowa (AAI) are more than 1100 active members, just like you. AAI members work every day to grow strong, profitable, environmentally responsible agribusinesses that grow Iowa communities and make the state a better place to live and work. The association supports the success of AAI members with access to educational opportunities, social & networking events, and weekly communications. Affiliate Members have the opportunity to invest at exclusive tiers and receive additional recognition as a supporter of the success of agribusiness in Iowa.
